Dear Parents and Guardians,

Welcome back! We look forward to the start of the school year. We know that the school bus ride is an important part of your family’s school experience. We are committed to working with you to ensure the best possible transportation. Here are some key things to anticipate that will help ensure a good start:

- It is important for you to anticipate that the first two weeks of bus routes will take time to smooth out.
- Your patience and understanding is part of that process, and the other part of the process is our team working to solve problems quickly.
- Bus routes, drivers, and stops CAN change over the course of the year if we need to manage adding new students to bus routes during the year.
- Stops have to be grouped. We do our best - but there will be times when we cannot meet your requests. Every stop adds time to the routes.

The bus routes have been posted to our website as of today, August 26, 2016. Students should use the bus stop that is the closest walking distance from their homes. We strongly recommend that students arrive at their stops 10 minutes before the indicated pick-up time. Bus routes and pick-up/drop-off times are approximate based on enrollment, which can change, and buses can run a bit early or late on any given day. Additionally parents/guardians are cautioned that buses may run late the first few days of school as drivers and families adjust themselves to new schedules, new routes and in some cases, new schools.

Any route adjustment requests should be sent to the transportation coordinator, Cindy Crowley at crowleyc@westboroughk12.org. Please use the established bus stop while your request is under review. Only under the direction of Westborough Public Schools Administration will bus routes be revised.

Thank you for your understanding and cooperation at this very busy time. Wishing your family a great school year!
