Our goal is to foster and support the participation of all students in a wide variety of student activities such as clubs, organizations, athletics, music, theatre etc. In order for a student to be eligible, a payment must be made for each particular sport or activity in which the student participates.

Participation in school athletics/activities is voluntary. This payment is non-refundable, unless the following occurs:

- Student does not participate for more than two weeks in an activity.

\*Payment of the user fee does not guarantee playing time on the varsity level. However, playing time will be as equitable as possible at the sub varsity levels.

**The current fee schedule is as follows:**
